CES PTO Sponsorships

The Creekview Elementary School (CES) Sponsorship program provides a set of tiered offerings that local businesses can choose from as part of your focused marketing efforts. Sponsorship is a ONE TIME annual contribution that in turn provides your business with the opportunity to be introduced to our friends, our extended families both domestic and international, and our colleagues. Your generosity will help fund different events that CES PTO organizes throughout the school year along with supporting special programs that we are initiating to offer our children an outstanding educational experience in a healthy and environmentally conscious setting.
