

Dear Creekview Families and Friends,

The Creekview PTO is seeking donations for their silent auction, to be held **Friday, March 4, 2016**. This auction is part of the Creekview Elementary Spring Fundraiser, an event hosted by the PTO that will include the Rodeo Run run-a-thon during your child's PE class, and the Creekview Country Fair, a family event later that evening. Your donation will be a huge part of its success!

We know we can benefit from the connections our Creekview families have. The auction categories are; **ENTERTAINMENT, DINING, TRAVEL, SPORTS, LIFESTYLE, HOME AND GARDEN**. Please consider the following ways to help us make this auction a sensational event:

- Donating tickets to a sporting event, a round of golf, concert tickets, hunting lease, fishing tours, vacation properties or college and professional team sports memorabilia.
- Personal services such as a chef, sommelier, photographer, limo service, cosmetic procedures, private shopping nights or parent's night out babysitting.
- Extra-curricular activities and lessons including summer camps and clinics.
- Businesses or families that would like to financially donate to the Creekview Country Fair.

*\*\*\* grade level auction baskets will be organized separately with your students classroom mom\*\*\**

**Merchandise donations, Gift Certificates for products and/or services and Cash Contributions will be accepted and donations are tax deductible.** Should you make a donation for the silent auction, your family and/or business will be recognized on auction displays at the event. The PTO will provide a donation receipt letter with the PTO's tax exempt ID number for your records. Please note the deadline is **MONDAY, JANUARY 11, 2016**.

Engaging students in reading, math, science, art, technology and physical activity is one of the most important factors in creating a dynamic and amazing learning environment and school community! All proceeds directly raised from the auction benefit the school and students, providing the necessary funds to further enhance school programs, equipment and curriculum.
